Skeeter performance starts with Skeeter engineering. We’ve assembled a worldwide class team of designers who love fishing as much as physics and who live to figure out ways to make Skeeter boats faster, smoother, and better than any other boat on the market. Our tradition of engineering excellence begins with the world’s first four-bolt keel. We’ve since added innovations like the V-Hull and the Skeeter Sparrow. Skeeter boats are engineered like no other. Here are some really good reasons why:

**AVOIDS CHINWALKING**
In the extreme level of top and performance to which Skeeter sets the competitive bar, Skeeter’s innovative skeg design reduces chinwaking, eliminating unwanted bow lift and providing a smoother, dryer ride. Skeeter’s exclusive skeg design is both durable and effective, delivering unmatched performance, comfort, and efficiency.

**EXTRAORDINARILY STABLE**
Skeeter’s exclusive skeg design and full-length molded transom floor, combined with Skeeter’s exclusive skeg design, produces an extremely stable ride. The skeg design ensures the bow and stern remain in contact with the water, eliminating unwanted bow lift and providing a smooth, dry ride.

**SUPER FAST**
Skeeter’s exclusive skeg design reduces chinwaking, eliminating unwanted bow lift and providing a smoother, dryer ride. Skeeter’s exclusive skeg design is both durable and effective, delivering unmatched performance, comfort, and efficiency.

**REVOLUTIONARY WATER FLOW FOIL**
Skeeter has seen some of the fastest hulls in the industry reshaped with a performance hull design. Skeeter's exclusive skeg design and full-length molded transom floor, combined with Skeeter’s exclusive skeg design, is the industry standard and sets the standard for performance. Skeeter’s exclusive skeg design is both durable and effective, delivering unmatched performance, comfort, and efficiency.

**THE NMPA® 90° MANEUVERABILITY TEST**
This test is conducted by launching the boat to its maximum speed, and then sharply turning the steering wheel 180 degrees in no change of speed. The boat passes the test by completing a 90° change in direction without losing steering control in this ability to maintain control.

**SMOOTH AND DRY**
Skeeter’s exclusive skeg design and full-length molded transom floor, combined with Skeeter’s exclusive skeg design, is the industry standard and sets the standard for performance. Skeeter’s exclusive skeg design is both durable and effective, delivering unmatched performance, comfort, and efficiency.

**NOISY FASTER**
Skeeter’s exclusive skeg design and full-length molded transom floor, combined with Skeeter’s exclusive skeg design, is the industry standard and sets the standard for performance. Skeeter’s exclusive skeg design is both durable and effective, delivering unmatched performance, comfort, and efficiency.

**RUGGED AND RELIABLE**
Skeeter’s exclusive skeg design and full-length molded transom floor, combined with Skeeter’s exclusive skeg design, is the industry standard and sets the standard for performance. Skeeter’s exclusive skeg design is both durable and effective, delivering unmatched performance, comfort, and efficiency.
RESEARCH AND DEVELOPMENT
ENGINEERING TO BE THE LEADER IN PERFORMANCE

INNOVATION

E-LADDER SYSTEM

Let’s say you turn a little too far over the side of the boat, trying to lip your trophy fish. Next thing you know, someone comes on deck with an emergency tiller that will save you from just pulling the pin and watching your catch fly. This super handy, easy-ladder fall-out system is all you have to do is click the tiller, fall it out, and you will be on the water with no ill-tension.

INTEGRATED LED NAVIGATION LIGHTS

On select models, we have now integrated our blue LED navigation light space for improved safety at night, LED lighting for enhanced nighttime visibility, and extended standard coverage of 50% of the searchlight feature, offering a full range of features for the ultimate safety.

REVOLUTIONARY LIVEWELL SYSTEM

We are now offering the industry’s most advanced, efficient, and quiet live well system that maximizes the overall efficiency of the boat. Instead of one dual-basin system, we now have two independent systems with greater depth, than the brain’s shock absorber, that help to reduce the noise. The dual-live well system makes it easier to separate the hydrogen and oxygen molecules, which improves the overall safety.

HULL DESIGN

Skeeter is at the forefront of innovation, engineering and design with our dedicated group of qualified engineers applying their advanced knowledge of fluid dynamics, utilizing some of the latest advancements in the aerospace industry and some of the latest breakthroughs in revolutionary new materials.

ENGINEERING

THE SCIENCE BEHIND OUR BOATS

The same engineering skills that have reached for reaching for the stars, give you a great ride on the water. We have utilized the latest technology and materials into our construction. Skeeter has learned how to make a difference. Below we identify a number of basic design and construction, and you make the benefits.

CUSTOMER SERVICE
QUALITY
Engineered and Built to Last

67 YEARS OF ENGINEERING LEGACY

Many of our current boat-building techniques come directly from the early investments Skater made in aerospace engineering and technology. Our design team made us the first boat manufacturer to use space-age materials with X-Treme and EX-Cat composite construction. Aerospace principles have continued to influence our concepts, materials and manufacturing processes to this day. Maybe that’s why our boots seem to fly across the water.

1. STRONG EX-CEL COMPOSITE HULLS

Six-Cat Composite, for some of the industry’s strongest fiberglass hulls. The innovation, agility and performance aerospace designers know as EX-Cat composite, with aerospace-grade fiberglass strength and durability, makes Skaters race-ready from day one. Skaters are pressuresowed at 700 psi to eliminate moisture and ensure that hull and deck sides use our unmatched fiberglass laminating process.

2. ALUMINUM DECK GRID SYSTEM

Aluminum structure provides superior support and strength, with boats that批复 lightweight and high seas security. This system eliminates the boat cracking and adding incompatibility, and will not rot, peel or crack. The precision manufactured grid is a perfect fit and compatibles to use in a wide variety of conditions.

3. COMPOSITE ONE-PIECE FLOOR

The floor of a Skater is comprised of carbon fiber, impregnated multiaxial carbon fiber between layers of fiberglass and vacuum formed with resin. This process produces unparalleled strength with the added weight of the vacuum forming.

4. ALUMINUM SKATER DECK LIDS

There’s no comparison between fiberglass and vacuum-sealed deck lids. Our aluminum lids are lighter and easy to remove or change over time.

5. BAIL AND TOWER CAPTURE SYSTEM

Four gas bars are mounted on the back of the tower for weight distribution and to prevent handling on straight runs and tight turns.

6. FAST RACE TRIM TABS ATTACHMENT

Our full function trim tabs comes with a special seal to control water flow and the vent to the marine engine. We also offer Clayton’s premium radiator grade aluminum marine engine.

7. DURABLE UPHOLSTERY AND STITCHING

Our premier sailboat upholstery only offers superior upholstery resistance. UV-resistance for up to 10,000 hours, mildew resistance, high resistance, and use with polarized or non-polarized glasses. UV-10 will have an approximately 1500% increase the life cycle of the upholstery.

8. QUALITY FINishes That LAST

Our lightweight grade is an exclusive X-Treme Fast System. Spreading the flex between the deck core glass and a durable finish that needs maintenance throughout the year get this boat. Add strength, extra skin thickness, and a certified exterior in UV-resistant finish and your maintenance lifetime will last for many years to come.

THE ONLY ONE THAT COUNTS – THE BOR TER BEHIND THE WHEEL.

OUR WARRANTY IS SECOND TO NONE

LIMITED LIFETIME WARRANTY

- Limited Lifetime Structural Warranty
- 10 Year Transferable Structural Warranty
- 3 Year Component Warranty

Skeeter offers the original retail purchaser a Structural Warranty that covers any major structural defects in the material or workmanship for the duration of the ownership.

- Most manufacturers’ Structural Warranty may also be transferred to the second owner for a full 10 years from the first retail purchase date.

- Skeeter also offers a Component Warranty to the first retail purchase, where certain factory-installed parts are covered for up to three years from the date of purchase. The Component Warranty may not be transferred to a second owner and is subject to limitations outlined in the 2015 Skeeter Fiberglass Limited Warranty.

ENGINEERED TO BE THE LEADER IN PERFORMANCE

FX21 / FX20
THE PERFECT PAIRING OF POWER AND PERFORMANCE.

It took nearly two years and two of the best names in boating to bring the FX series to life. Specifically designed to be paired with Yamaha’s powerful VMAX SHO® engine, the FX delivers an amazing hole shot, unparalleled top-end speed, nimble handling and a long list of extras. We did the math — power plus performance equals perfection.
IT KNOWS WHERE THE FISH ARE GOING BEFORE THE FISH DO.

Fishing is your passion, and this is what you pursue it with. It gets you to the fish faster and is packed with features to help you pack the walleye.
YOU’LL BE READY TO TACKLE ANYTHING.
Come to the water prepared. This all-weather performance motor is unique, innovative engineering that keeps you on top—on control and enjoying the diesel, smoothest ride in the industry.

When your weekend options are wide open, you need a boat to keep up.

Our SL series is perfect for your do-it-all family. Got the itch to fish? You’ll love the livewell, casting decks and optional removable trolling motor. Take the whole family skiing, wakeboarding or tubing, with all the power and performance for serious fun. We’ve built the boat that handles both, now you build your weekend.
LET THE FUN BEGIN.

You can start making memories today that everyone will smile about years from now. Your son’s first catch. The first time your daughter made it up on ski. All those weekends you and your buddies spent at your favorite fishing spot. This is the boat for all of them.

LET THE FUN BEGIN.
A RIDE AS COMFORTABLE AND RELAXING AS YOUR WEEKEND.

Sit back and glide across the water. From the driver’s console to the shock-absorbing seats, every square inch of this boat is designed with your pleasure in mind.
STANDARDS AND OPTIONS

When you’re fishing, enjoy the detachable trolling motor, rod ladder, and re-wind. For when you’re using, it’s got a long list of features, roomy, removable, and captain’s seat’s chairs. For comfort and convenience you get a walk through windshield, removable backrest, and comfortable upholstery.

OPTIONAL CANOPY TOP

Keep the sun out and stay cool with an optional canopy top. Fits over rails, windows, and gunwales.

DEDICATION REWARDS

IT'S TIME TO HOOK SOME FOR YOURSELF.
Our Real Money program comes with a catch—to win prize money in our sanctioned tournaments, you must fish with a Skeeter boat. Wait a minute, that's not a catch—that's an unfair advantage! Payouts at our grassroots events grow every year, just one more reason why Skeeter is the leader in tournament fishing. Register for Real Money today.

WIN UP TO $3000
FOR EACH ELIGIBLE TOURNAMENT.

Win the most while fishing the best with the 2016 Skeeter Real Money Program. The payouts at grass roots events keep growing and this year's purse could be even higher. Just another reason why we're the leader in tournament fishing. Register for Real Money today! Real Money tournament dates are from January 1 through December 31, 2016.

1. BUY A Skeeter boat. Purchase any new or used Skeeter boat powered by a Yamaha engine from a dealer in or near your area.

2. REGISTER. Visit your local, authorized Skeeter dealer to obtain a registration form or download at SkeeterBoats.com. Each dealer/retailer must have each owner be eligible. To participate in a different Skeeter model after you are registered, please contact Skeeter to change the Serial Number to your new registration by using the steps given.

3. I FISH & WIN! Submit your completed entry form filled out completely. You must register prior to participating in a contingency-sanctioned event.

4. LET US KNOW! Payments will be made once Skeeter receives and approves "official" tournament results from your local tournament organizer. In 2016 have been great. We're excited for the season. You must register prior to participating in a contingency-sanctioned event.

Enter, Fish, Win.

For complete details, terms and conditions, or to see the most current list of our schedule of sanctioned tournaments, please see your local authorized Skeeter dealer or visit our website at SkeeterBoats.com.

MAIL-IN ENTRY FORM

WIN UP TO $3000

Mail a completed entry form and $3000 check payable to Skeeter Boats Inc. to:

Mailing Address:

Skeeter Boats
One Skeeter Road
Winter Haven, FL 33881

I AGREE TO THE FOLLOWING TERMS:

1. I must own a Skeeter boat powered by a Yamaha engine.

2. I must meet all participation guidelines outlined in each sanctioned tournament rules and participating rules of the "Skeeter Money" program for each event.

3. I must not be collecting payments in the same or similar event during a competitive season or days when applicable.

4. I must provide official Skeeter Real Money check to be for the boat's side window or the boat.

5. I understand that Skeeter Boats and Yamaha Marine Group will not be held liable for income taxes on the prize money. Each participant is responsible for any and all taxes on prize money.

6. I agree to allow the use of my name, photography, and likeness for advertising and publicity purposes without further compensation in this program.

Skeeter Boats Real Money Headquarters at 903-685-3557.

INSTRUCTIONS: Complete this entry form by filling out the appropriate fields and entering the requested information. Include the check payable to Skeeter Boats Inc. with this entry form. Send this entry form to Skeeter Boats Inc. and your entry will be included in the drawing.

Skeeter Boats Real Money Headquarters at 903-685-3557.
SKEETER OWNER'S TOURNAMENT
A FISHING FAMILY REUNION

Lake Fork, Texas

Skeeter owners have a lot in common. They love their boats, they love to fish, and they love a good party. That's why they gather by the thousands for our Owner's Tournaments each year. There's $200,000 in cash and prizes for 2016 demo rides, vendor displays, and lots of activities for the kids. Plus, it's a great opportunity to swap fishing stories. What else would you expect when family gets together? See our website to learn more.

WIN UP TO $200,000 IN CASH AND PRIZES!

You're Officially Invited to

EAT. SLEEP. FISH.

GREAT SKEETER DUCK HUNT
The Great Skeeter Duck Hunt was a fun way to and the tournament announced winners were awarded $250,000 in cash and Skeeter Fishing Gear. The tournament was so successful that it was repeated in the years prior to the start of the tournament.

BORTLORD OF TOYS AND DARING
It's Christmas in June as the Skeeter Owner's Tournament Toys were collected and donated to local underprivileged children and families in need, helping to bring some holiday cheer during the tournament. Hearts painted were assembled as a driveway and an additional event took place where a delivery was given where a delivery was given.

TEXAS SIZED BBQ

Winners of the grand prize of the tournament. The BBQ event was pre-arranged by a professional and sponsored by one of the local businesses. The event also featured live music and fun activities which formed “Skeeter Style” fun filled weekend.

Crowds at the 2015 Skeeter Owners Tournament
First Place Winners High School Angling Winners

First Place Winner Team: Kansas Oates with one truck (2006 Skeeter 205 BF) and two trailers ($20,000)
**BASS® AND SKEETER**

Skeeter is the authority on bass boats. BASS® is the authority on fishing. So it’s only natural that Skeeter collaborates with the BASS® organization to provide you with the ultimate bass-fishing experience. Whether you’re a serious angler or a weekend hobbyist, Skeeter makes it possible to enjoy the passion and love for fishing that you have, whether it’s on a river, lake or in the ocean. We offer the finest custom fishing boats so you can claim your piece of the beautiful, untamed waters that is second to none. When you’re ready to hit the water, look to Skeeter and find a boat that’s built to handle over a nice, full shock through our Skeeter Love program. You’ll find a better fishing buddy.

**FROM GRASSROOTS TO THE PROS. SKEETER IS WITH YOU ALL THE WAY.**

With your purchase of a Skeeter boat, you’ll enjoy the ride through the BASS® Bassmaster Elite Series tournament trail. Skeeter also sponsors the pro anglers in more than 50 BASS® events nationally, in conjunction with Ramoche Outdoors as the presenting sponsor for the BASS® Nation Outdoors and the SKWR Nation Championship.

**TELL THE WORLD YOU LOVE THE GOOD LIFE with our full line of Skeeter apparel and gear.** It’s great looking and durable, just like everything with the Skeeter name. To see our full selection shop online at SkeeterBoats.com or call 800-622-9600.
AHEAD OF THE COMPETITION AT EVERY TURN
